

After School Program

2023 Fall Session

Overview

The Green Street School after school programs are making a comeback. These programs provide a safe and engaging way for students to explore new hobbies/skills. The after school programs are offered to our students at no charge except for programs at the Boys and Girls Club. Supplies for each program are provided unless otherwise stated.

Green Street ASP's are on Mondays, Wednesdays and Thursdays from 3-4 pm.

An afternoon meal will be provided to all students participating in after school programs. If your child has any allergies, please be sure to indicate this on the registration form so that we can make accommodations.

All programs have a registration limit in terms of the number of students. Students will be accepted into programs on a first come, first served basis. Be sure to sign up online or send in the registration form as early as possible. We ask that you request a first and second choice of programs in case your first choice reaches capacity. Program enrollment will be communicated via email and a note sent home with your child the week prior to program start dates.

Fall offerings

Session 1 (October 23 - Dec 7)

There will be no bus transportation available due to bus staffing shortages.

*The numbers next to the program name show how many students can be enrolled.

Program Descriptions

Arts and Crafts

Let's get crafty! Every week do basic arts and crafts projects and free expression with materials given.

Baking Club

CALLING ALL BAKERS!!!! If you love to bake or are interested in learning a new skill, join us every Wednesday to bake a new recipe!

Boys and Girls Club 6th Grade only

If a child is signed up for these programs through the Green Street ASP's, the child must be picked up at the Boys and Girls Club. *Programs at the club are subject to a \$25 membership fee. This fee covers membership for one year. Since the club is a state licensed program, subsidy is accepted.*

Open Club - ping-pong, pool, basketball, foosball, indoor skatepark, and air hockey

Crochet

Beginner: Students will learn the chain stitch before moving on to begin with Single Crochet. They will create a small rectangle or a beanbag/ball as a final project.

Advanced: Advanced crochet is for students who have mastered the basics of crochet and are able to crochet independently. This ASP will give them the opportunity to learn different stitches and learn how to follow a basic written pattern.

Fun and Games

Come join us for fun and games after school! Each week we will offer a variety of activities to choose from including: board games, arts and crafts, legos, trains, and puzzles.

Jump Roping

Learn jump roping skills.

Ornaments and Gift Making

This ASP will involve making ornaments and small gifts that could be used for the holidays season if that is what the child chooses (or could be just decorative and gifts of kindness). The students will choose how they decorate the items.

Painting Club

If you like to paint, join us for painting club! We will create art use different types of paint on different materials

Pokemon Battle Club

This will be a club that focuses on the Pokemon Video Games and learning about battling within the games.

Sewing

Participants will learn the basics of sewing, including the running stitch and the backstitch. They will create a beanbag or a small pillow.

Strategy Games

Play strategy games such as chess with others or learn new games.

Tutoring

Tutoring requires approval from your child's teacher. We will communicate with yourself and the teacher after registration is completed.
