- Enrichment provided by the PTO funding for the 22-23 school year:

Two presentation assemblies from Mobile Ed productions. Stop Bullying and the indoor dome planetarium. Dates TBD.

- Teacher perspective survey going out as the student perspective survey already has.
- Winter Sports dates are set, 1-11-23 kicks off the first day of WS, 1-13-23 is the first day of WS for younger grades 1-3. Kindergarten is structuring independent hikes and recess time. Volunteers are needed for all grade levels, especially for hill sports. The hill sports rely solely on GSS to provide chaperones, first aid and instruction.
- Questions arose on fingerprinting, who is keeping the records, what happens to the records afterwards, is this a barrier to participation, is this effective in catching criminals

or eliminating potential risks, does the positive outweigh the negative? What types of past records would prevent chaperone participation? What are the flags?
